FUEL SUPPLY

***90.** [23] **Sri. A. M. Thomas:** Will the Hon'ble Minister for Education, Labour and Civil Supplies be pleased to state what is the present scheme of fuel supply from Government forests?

Minister for Education, Labour and Civil Supplies **(Sri. Panampilli Govinda Menon):** In the Cochin area, there was departmental collection and sale of fuel at controlled rates in important centres till 1st April 1950. On that date the Fuel Supply Division was abolished and control over firewood was lifted. In order to meet the scarcity of firewood due to the sudden lifting of control, an arrangement was made that the department can sell in small quantities at the forest site and in depots.
